

Corporate Matching Gifts

What Is a Corporate Matching gift?

Many employers match charitable contributions made by their employees. Alumni, spouses of alumni and friends support Carlow University through participation in their respective employee matching gift programs, which can double or triple an individual's gift to Carlow.

How to request a Corporate Matching gift?

1. Contact your employer's matching gift office or human resource office to learn if your employer matches charitable contributions.
2. Make a gift to Carlow University.
3. Follow your employers matching gift process. Completing the necessary request.
