

Endow a Fund

A Gift that Endures for the Future:

Endowment funds ensure the vibrancy and financial stability of Carlow University. Our endowment continues to increase because of the support of donors like you. Endowments begin at \$25,000 and can be established in support of an academic program(s) or in support of mercy service or social justice initiatives. Endowments can fund scholarships, faculty awards, speaker series, lectureships, academic resources, and more. An endowment can be funded with cash as well as securities, life insurance benefits, and trusts.

Your endowment endures as a consistent force, supporting the University's mission of creating transformational educational opportunities for a diverse community of learners, and to empower them to excel in their chosen work as compassionate, responsible leaders in the creation of a just and merciful world.

How to get started with making an Endowed gift:

1. Contact a giving officer at giving@carlow.edu or 412-578-6120 to get started.
2. Working with your giving officer
 - a. Determine the amount would you like to give or pledge.
 - b. Determine where you would like to endow a fund - scholarship, faculty award, or program, or our Endowment
 - c. Complete the Endowed Gift Agreement.

For more Information about Carlow University's endowment policies please refer to [Establishing a New Permanently Endowed Fund](#) [pdf].

Thank you!

We are grateful that you are considering making a gift to Carlow University. We know a lot of thought and consideration goes into deciding where to give. If you have any questions, we are here to help.
