

Carlow University Physician Assistant Program Policy and Procedure

Policy Title	Cost of Attendance Policy
Policy Overview	In order for prospective students to make an informed decision regarding the cost of attending the Carlow University PA Program, the tuition, fees, and estimated program costs are made public. The tuition and fee schedules are set annually by the University and are subject to change. These changes will be made public once they are announced by the University. Information regarding tuition, fees, and any associated costs will appear on the PA Program website and in the PA Student Manual. Program policy applies to all students regardless of location.
Policy #	PA 102
Source / Origination	Carlow University PA Program

Orientation to Policy

1. The tuition, fees and associated costs are published on the PA Program web site and Student Manual. Variations in associated costs may exist. Should fees and/or tuition change, the updated information will be posted on the PA Program website and students will be made aware of any changes in writing and in person.

Compliance

1. The Program Director is responsible for updating information as tuition, fees, and costs may change.
2. This policy will be reviewed annually by the PA program faculty (per Program Assessment Plan) to assure it continues to reflect the current University and program policy.
