The Campus School admission process is our opportunity to learn about your child. We are interested in understanding your child's strengths and challenges so that we can make a sound admission decision. As part of this process we ask that you provide as much information as possible for each question below.

Please list your child's first language and any other languages spoken in your home.

What adjectives best describes your child?

Has your child ever been recommended for a developmental assessment, a psychological evaluation or a speech evaluation? If yes, was the evaluation completed? Yes No

When? _____ For What? _____ Where? _____

Has your child ever been disciplined by his/her school (for example, behavioral issues, truancy, academic difficulties, or any other)? If yes, please provide details and outcomes.

What about The Campus Laboratory School leads you to believe that we may be a good match for your child?

Please inform us of any other information about your child or your family that you think would be helpful to us in the admission decision.
