

# 2025 Tiernan Summer Camps

Carlow Campus  
Lab School

Week 1: June 10 -13  
(Monday off, Tuesday  
start)

# Buongiorno - Discover Italy!

- with Grazia Curatolo
- Grades K - 5
- Esploriamo L'Italia! Join Mrs. Curatolo for a week of exploration of Italian art, culture, language and food. Students will enjoy a variety of hands-on activities, yummy treats and exploration!

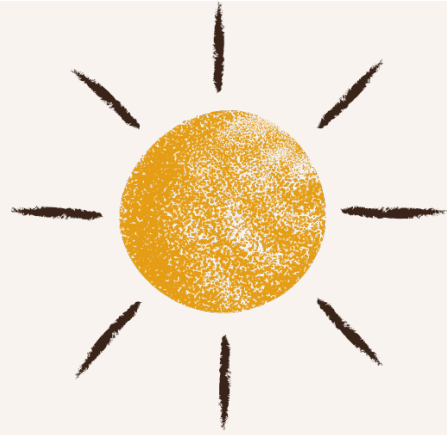

# Under the Sea

- with Alexis Sukitsch
- Grades K - 5
- Dive into the wonders of the ocean! In this camp, we'll explore life under the sea through engaging children's books, creative crafts, and interactive technology. From colorful coral reefs to fascinating sea creatures, your child will embark on an exciting underwater adventure!

# Volleyball Camp

- with Brianna Evans
- Grades 2 - 5
- In this camp, students will learn the basic components of the sport and learn the correct way to use the fundamentals of the sport.
- Drills include:
  - Passing (bumps)
  - Digging
  - Setting
  - Spiking (hitting)
  - Blocking
  - Serving both underhand and overhand
  - Peppering
  - Butterfly drill

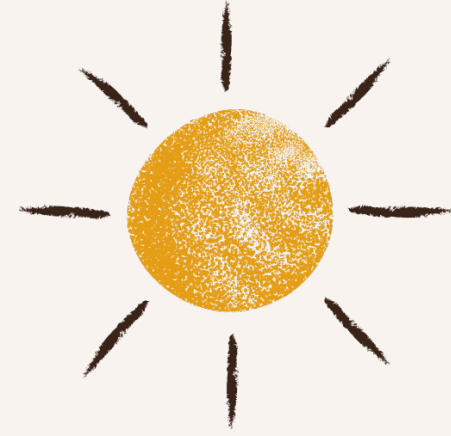

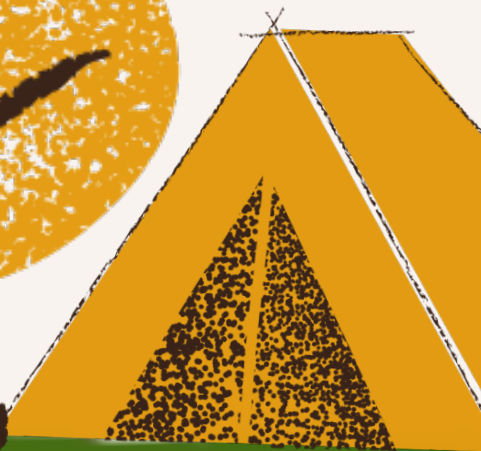

# Olympics!

- with Emily Warren
- Grades 3 - 5
- Enjoy a week of fun and creative Olympic events as we participate in an opening ceremony and team building exercises, skill challenges, finals and a closing ceremony!

Week 2: June 16 -20  
(Thursday, Juneteenth  
off)

# A Journey Through Time

- with Grazia Curatolo
- Grades K - 5
- Participate in a timeline creation of a period of history, role playing & STEM tie in when we build something from the era that we study!

# Animals Around the World

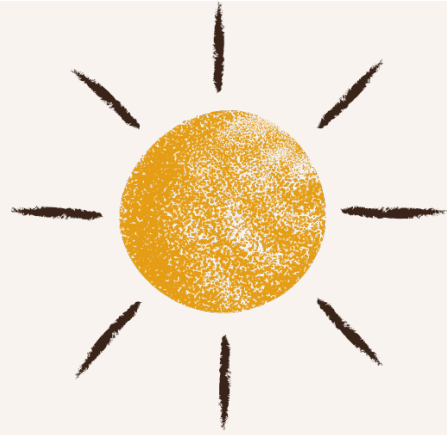

- with Alexis Sukitsch
- Grades K - 5
- Join us for a weeklong adventure exploring amazing animals from around the globe! Each day, campers will dive into a new habitat—rainforests, savannas, deserts, and the Arctic—through hands-on crafts, games, and engaging activities. It's a fun-filled journey celebrating the incredible creatures that share our planet!

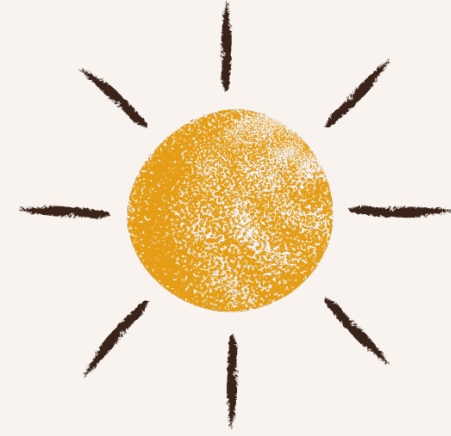

# The 4 Seasons

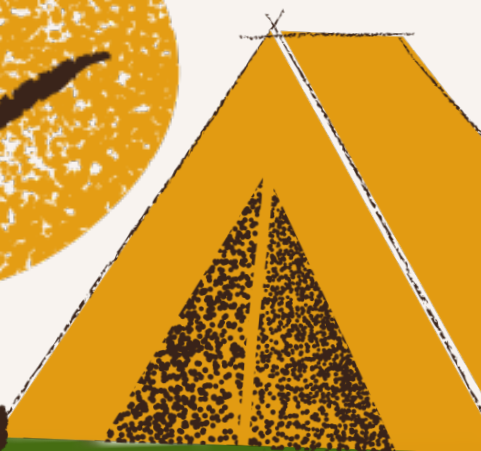

- with Brianna Evans
- Grades K - 5
- In this 4 day week, journey through the seasons as we focus on a new season each day, celebrating the first day of summer on Friday! Expect scientific conversations and activities, arts and crafts, music, culture/ holiday conversations and treats.

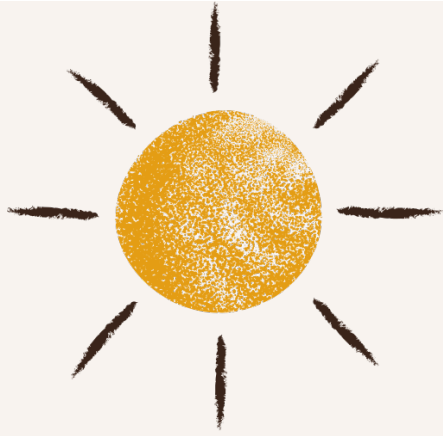

Week 3: June 23 -27

# Out of This World!

- with Alexis Sukitsch
- Grades K - 5
- Blast off into outer space! In this camp, we'll explore the planets, stars, and beyond through captivating books, hands-on crafts, and interactive technology. Your child will become a space explorer, discovering the mysteries of the universe.

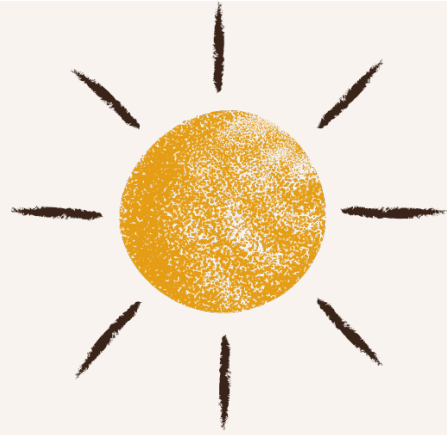

# Dungeons & Dragons

- with Patrick Madden
- Grades 3 - 5
- Be the hero of the story! Outwit monsters! Solve puzzles! Save the village! Paint miniatures! In this class, we will play D&D and other exciting table games. Join us and have fun with your friends!

# Basketball Camp

- with Brianna Evans
- Grades K - 2
- In this camp, students will learn the basic components of the sport and learn the correct way to use the fundamentals of the sport.
- Drills include:
  - Dribble drills
  - Triple Threat Importance
  - How to set a Clean Screen
  - Shot Forms

  - Pump-fake Drills

Week 4: June 30 -July 3  
(Friday, 4th of July off)

# Star Wars, SCI FI, and Space Science Club

- with Patrick Madden
- Grades 1 - 5
- Space...it's BIG, and there's a lot to talk about. We will watch, design and draw Star Wars & Sci Fi characters, ships & discuss the SCIENCE behind the story. Come have fun with your friends. Maybe get inspired to write your own story!

# Camp Imagination Station: Creative Arts and Play

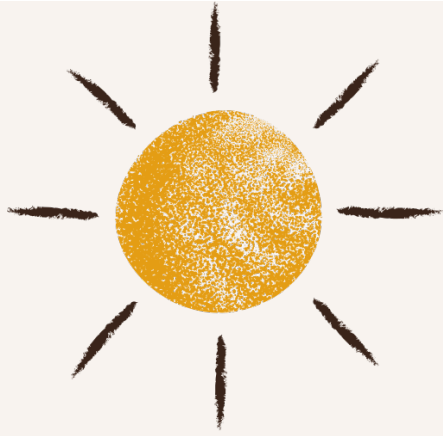

- with Alexis Sukitsch
- Grades K - 5
- A week of creativity and fun awaits!
- Each day, campers will explore a new art form-painting, theater, music, storytelling, and more-while letting their imaginations run wild through group games and activities.

# Taylor Swift

- with Brianna Evans
- Grades K - 5
- Journey through the Eras as you join Miss Bre in this Enchanted summer camp! We will listen to all of our favorite tunes, discover Taylor in different genres, make friendship bracelets, paint lyrics to her songs, watch clips of her concert, talk about all of the fantastic things she does for the community and those less fortunate, and much, much more!

Week 5: July 7 - 11

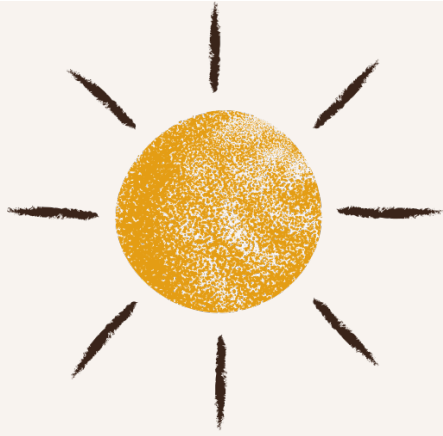

# Tennis Camp

- with Coach Mark
- Grades 1 - 5
- Coach Mark Haffner is returning for another exciting week of tennis camp. Campers will learn to serve, volley, and so much more. Mark has been a teaching professional for over thirty years and was named the 2010 USTA Tennis Professional of the Year. This high-energy camp will focus on the importance of sportsmanship, agility, movement, and the strength that is involved in the game of tennis. Campers are welcome to bring their own racquet to camp. Equipment will be provided for all campers who do not bring their own.

# Harry Potter

- with Brianna Evans
- Grades K - 5
- Jump into the magical world of Harry Potter. Join Miss Bre in taking our Hogwarts placement tests, crafting our house merchandise, casting spells, creating fantastic beasts, comparing the books to the movies, building wands and much more!

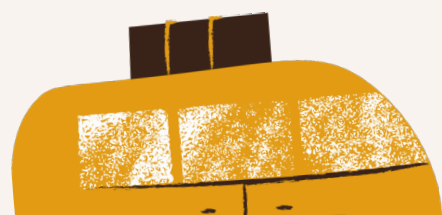

# Creative Arts Summer Camp

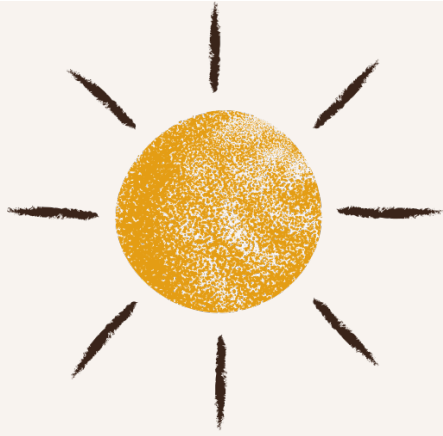

- with Riley Konesky
- Grades 3 - 5
- Let your imagination soar at Creative Arts Summer Camp! Designed for young artists in grades 3-5, this camp offers a variety of exciting and hands-on activities, including air-dry clay sculpting, designing vision board collages, experimenting with resin art, and making custom tie-dye shirts. Campers will explore their creativity, develop artistic skills, and bring their unique ideas to life. With guidance from skilled instructors, every child will leave with amazing projects and unforgettable memories. Perfect for all levels of artistic ability!

# We're Putting on a Show

- with Anna and Ivan Sproul
- Grades K - 5
- Do you like to tell stories through singing, speaking, and movement? Do you like using your imagination to create show posters and props? If you've answered yes to these questions, this is a camp for you! We will create a story through music, art, movement, and drama. Campers will share a performance for friends and family at 11:30am on Friday. We will also record the performance to share.

# Robotics

- with Taryn Brown and Patrick Baker
- Grades K - 5
- Students will learn the fundamentals of robotics with Lego Spike Prime and Essentials Robotics kits, as well as with other robotic kits. Rising 4th and 5th graders will be able to participate in the FIRST Lego League competition in the fall.

Week 6: July 14 - 18

# Basketball Camp

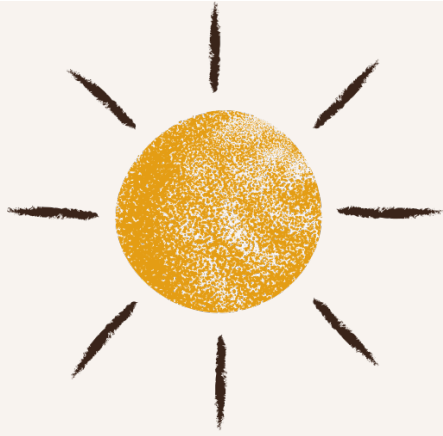

- with Brianna Evans
- Grades 3 - 5
- In this camp, students will learn the basic components of the sport and learn the correct way to use the fundamentals of the sport.
- Drills include:
  - Dribble drills
  - Triple Threat Importance
  - How to set a Clean Screen
  - Shot Forms
  - Free Throws
  - Layup Form
  - Passing Drills
  - Defensive Drills
  - Pump-fake Drills

# Game On1

- with Alexis Sukitsch
- Grades K - 5
- Let the games begin! This camp is all about fun and friendly competition. We'll play a variety of exciting games indoors and outdoors, designed to keep your child active, engaged, and entertained. From classic favorites to new challenges, it's a week of non-stop fun!

# Little Artists Summer Camp

- with Riley Konesky
- Grades K - 2
- Spark your child's creativity at Little Artists Summer Camp, perfect for budding young creators in grades K-2! Campers will enjoy hands-on activities like sculpting with clay, canvas painting, and designing their very own tie-dye shirts. This fun-filled camp is designed to inspire imagination, build artistic confidence, and encourage self-expression. With guidance from friendly instructors, your little artist will explore new techniques and bring their ideas to life in colorful, creative ways. All skill levels welcome!

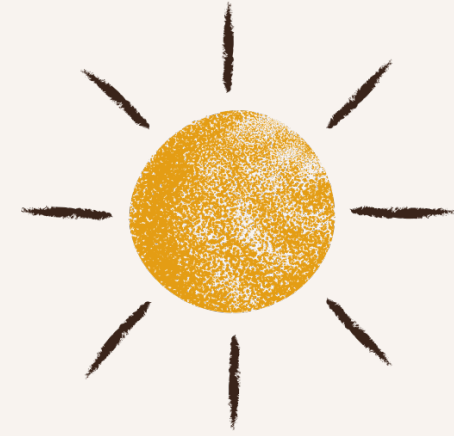

# Chess Camp

- with Gabriel Petesch
- Must have knowledge of how the pieces move
- Improve your chess skills in this half-day camp! Each day will be a mix of fun and instructive activities. Activities will include: interactive lessons, tournament play, puzzle-solving competitions, and fun team activities. Activities will be tailored to each student's playing strength.

Thank you for your  
interest in CLS Summer  
Camps!
