2.0 Summary & Overview

This Request for Proposal (RFP) serves as a foundation for engaging a vendor who can deliver high-quality solutions that align with our needs. Respondents are expected to thoroughly address each section to demonstrate their ability to meet or exceed Carlow's requirements.

The primary goal of this RFP is to solicit proposals from qualified firms that can provide repairs to the Fifth Avenue vault and offer the best overall fit for CARLOW. The RFP includes providing detailed responses to the following critical questions, to ensure alignment with Carlow's goals and requirements.

See attached Scope of Work at end of document. The winning bid also has to apply for the necessary permits.

A. Conflict of Interest

All Respondents must disclose the name of any officer, director or agency who is also an employee of Carlow University. All Respondents must disclose the name of any Carlow employee who owns, directly or indirectly, any interest in the Respondents' business or any of its campuses. Such disclosure must be submitted as a cover letter included with the Request for Proposal, addressed to the Michael Spano, Maintenance Supervisor no later than the proposal due date of April 1, 2026.

B. Fee

CARLOW will review the submitted options and potentially select a firm to provide services. CARLOW may choose, in the sole exercise of its discretion, one of the Respondents. In addition, the selection of a Respondent pursuant to this RFP does not guarantee that CARLOW will award a contract to any of the firms responding to this RFP.

CARLOW prefers a payment schedule which breaks down the total yearly cost into equal installments, paid throughout the year, such as bi-annually, quarterly, or monthly. Carlow's preference is Net 60, although Net 45 is a consideration.

C. Proposal Submission Content

Proposals must include all the information listed below:

- a. Cover Letter
- b. Respondent Qualifications
- c. Answers to all applicable questions asked in Section 2.0
- d. Full costs broken down by service provided
- e. List of three (3) references

3.0 Submission of Responses

1.1 Schedule

3.1.1.1 The RFP process will proceed according to the following anticipated schedule:

ACTIVITY	DATE
RFP Issued	February 26, 2026
Full Proposals Due	April 1, 2026 (5:00 p.m. EST)

4.0 Evaluation Criteria

All proposals must meet or exceed mandatory requirements outlined in this RFP in order to be reviewed. Those proposals meeting the minimum mandatory requirements will be considered based upon a point scoring evaluation system described in this section. Evaluations and selection will be based on written qualification and oral presentation, if deemed necessary, with emphasis on Respondent Qualifications, Answers to Questions, Interviews, and Total Cost of the proposal. Considerations will also be made to respondents with shared values and/or MWDBE certification. The maximum possible for the combined areas will be 100 points.

5.0 Other Information

- A. The University reserves the right to seek additional information from any responding party and to schedule interviews with one or more of the responding firms.
- B. Carlow University reserves the right to reject any and all Proposals, to waive any minor informality in the Proposals or to enter into any contract deemed by the University to be in its best interest.
- C. The University reserves the right to amend this RFP at any time and negotiate the scope of services and/or fee terms with one or more of the responding firms.

6.0 General Information & Other Provisions

- A. CARLOW reserves the right to cancel or modify this RFP, in whole or in part, or reject all Proposals submitted in response to this RFP if such action is determined to be in the best interest of the University. CARLOW may extend the deadline for submission of Proposals if, in CARLOW's judgment, such extension is necessary for any reason. If CARLOW determines that it is necessary to revise any part of this RFP, or if CARLOW determines that additional data is necessary to clarify any of its provisions, an Addendum will be posted on CARLOW's website at www.carlow.edu. CARLOW's failure to provide such notification shall not relieve interested individuals and firms desiring to submit a proposal from their responsibility to obtain the Request for Proposals and any and all addenda that may be issued in connection with this RFP.
- B. CARLOW reserves the right to reject any and all responses if CARLOW determines, within its sole discretion, that it is in the best interests of CARLOW to so, CARLOW reserves the right to reject any Response that fails to meet any of the terms, conditions, requirements, and procedures included in this RFP. If a Respondent fails to meet any material terms, conditions, requirements or procedures, the Response may be deemed unresponsive and disqualified.

- C. All expenses and costs, including but not limited to legal costs, associated with developing or submitting a proposal in response to this RFP, or associated with oral or written clarification thereof, including all presentation materials and related costs and travel expenses, shall be borne solely by the responding firm, and under no circumstances shall CARLOW be responsible for any such cost or expense incurred by any responding firm. CARLOW assumes no responsibility for these costs and expenses.
- D. Responding firms may withdraw their proposals, by written request only, received by CARLOW prior to, but not after, the time set for proposal submission. Thereafter, proposals shall be irrevocable for a period of not less than sixty (60) days and may not be withdrawn or modified.
- E. Any proposal which is not received by CARLOW by the date and time and at the location for submission of proposals set forth herein will be determined to be late and shall not be considered.
- F. CARLOW reserves the right to waive any irregularities or requirements; and to negotiate with all respondents, in any manner necessary, in its sole judgment and discretion, to serve the best interest of CARLOW.
- G. All responses, proposals, related documentation and information submitted in response to this RFP are subject to the Pennsylvania Freedom of Information Act, regarding public access to such documents. Any statements submitted by the respondent that purport to reserve any confidentiality or privacy rights in submitted responses or that are otherwise inconsistent with these statutes will be void and disregarded. By submitting its Response to CARLOW, the Respondent agrees that CARLOW shall not be liable under any circumstances for the subsequent disclosure of any materials submitted to it by Respondent pursuant to this RFP and/or in connection with any contract entered into between Respondent and CARLOW as a result of the RFP process.
- H. Further, any selected Respondent must recognize that in the performance of the Master Services Agreement, and any contract issued thereto, it may become a holder of personal data or other information deemed confidential. Respondent shall comply with the laws and regulations relating to confidentiality and privacy, including any policies and procedures of CARLOW. Any questions concerning issues of confidentiality, the submission of materials to CARLOW, or any other questions related to these matters, should be directed to Michael Spano at mjspano@carlow.edu.
- I. Unless otherwise specified in this RFP, all communications, responses, and documentation must be in English, and all cost proposals or figures in U.S. currency. All responses must be submitted in accordance with the specific terms of this RFP.
- J. Respondents are prohibited from communicating directly with any employee of CARLOW, except as specified in this RFP, regarding the RFP, and no other individual CARLOW employee or representative is authorized to provide any information or respond to any questions or inquiries concerning this RFP. Respondents may contact the Contact Person for this RFP provided in Section 3.2.4, in the event that this RFP appears incomplete in any way.
- K. CARLOW may provide reasonable accommodations, including the provision of material

in an alternative format, for qualified Respondents with disabilities or other hardships. Respondents requiring accommodation shall submit requests in writing, with supporting documentation justifying the accommodations, to the contact person listed in Section 3.2.4 above. CARLOW reserves the right to grant or reject any request for accommodations.

- L. If a Respondent is unable to meet any of the specifications required in this RFP, the Respondent's response must include an alternative method for meeting such specification by identifying the specification, the proposed alternative and thoroughly describing how the alternative achieves substantially equivalent or better performance to the performance required in the RFP specification. CARLOW will determine, in its sole discretion, if a proposed alternative method of performance achieves substantially equivalent or better performance.
- M. Costs that are not specifically identified in the Respondent's response and not specifically accepted by CARLOW as part of a Contract will not be compensated under any Contract awarded pursuant to this RFP. CARLOW shall not be responsible for any costs or expenses incurred by Respondents in responding to this RFP.
- N. The Respondent may not alter the RFP or its components except for those portions intended to collect the Respondent's response. Modifications to the body of this RFP, specifications, terms and conditions, or which change the intent of this RFP are prohibited. Any modifications other than where the Respondent is prompted for a response will disqualify the bid. The foregoing notwithstanding, proposed exceptions and/or counterproposals to the Master Services Agreement are permitted to be submitted with a Response.
- O. Respondent's submitted Response shall be treated by CARLOW as an accurate statement of Respondent's capabilities and experience. Should any statement asserted by Respondent prove to be inaccurate, misleading or inconsistent with the foregoing, such inaccuracy or inconsistency shall constitute sufficient cause for rejection of the Response and/or of any resulting contract. CARLOW, within its sole discretion, will rule on any such matters and will determine appropriate action.
- P. Prior approval by CARLOW is required for any subcontracted services under any Master Services Agreement entered into as a result of this RFP. Selected Respondent contractors are responsible for the satisfactory performance and adequate oversight of their subcontractors. Subcontractors are required to meet the same requirements and are held to the same reimbursable cost standards as the selected Respondent contractors.
- Q. Master Services Agreements entered into as a result of this RFP shall be on a fee for service basis. Once the Respondent has been selected and executed a Master Services Agreement, CARLOW intends to award all contracts for Fifth Avenue vault repair based on either (1) bids submitted by selected Respondents, or (2) based on CARLOW's sole discretion in determining which of the selected Respondents presents the best value option (the "List Selection"). Procurement done by either Bids or List Selection shall be deemed competitive. It is further anticipated that the term of the Master Services Agreement entered into pursuant to this RFP will be for a term of at least twenty-four (24) months, with CARLOW's option to renew it in its sole discretion.

7.0 Responsiveness & Irregularities

- A. Any proposal determined to be non-responsive to this RFP, including instructions governing the submission of proposals, will be disqualified without evaluation unless the evaluation committee determines that the noncompliance is insubstantial.

- B. CARLOW reserves the right, at its sole discretion, to waive minor irregularities in submittal requirements, to request modifications of the response, to request clarification of the response, and to accept or reject any or all of the responses received.

Thank you in advance for your interest in providing services to Carlow University.
